1. Our obligations

OUR RECOMMENDATIONS

- » Before providing advice we'll assess your needs, consider your financial objectives and assess your attitude to any risks that may be involved. If you don't want to discuss a particular area of financial planning and that area should not form part of the advice given, we can exclude it, if you instruct us to do so. This might of course have a bearing on the advice that might have been given.
- » Before making any recommendations we'll carry out a suitability assessment so that we are able to act in your best interests.
- » We'll confirm any recommendations we make in writing (our suitability report) along with details of any special risks that may be associated with the products or investment strategies we've recommended.
- » Where we agree to provide you with a service that includes an ongoing review of the suitability of the investments we have recommended, we'll carry out this review at least annually. To do this we will need to make contact with you to assess whether the information we hold about you remains accurate and up to date. We'll issue you with a report setting out the results of our assessment and, if relevant, any updated recommendations.
- » Please be aware that investments can fall, as well as rise, and that you may not get back the full amount invested. The price of investments we may recommend may depend on fluctuations in the financial markets, or other economic factors, which are outside our control. Past performance is not necessarily a guide to future performance.
- » Specific warnings relevant to the investments, investment strategies or other products we arrange are provided in the relevant product literature provided.
- » We may, where appropriate, recommend holding some, or all, of your investments with a discretionary fund manager (DFM), a professional investment manager appointed to monitor your portfolio and make investment decisions on your behalf. In such cases we'll explain the respective responsibilities of ourselves and the DFM in relation to your investments.

FINANCIAL CRIME

We are obliged to put in place controls to prevent our business from being used for money laundering and other forms of financial crime.

We'll verify your identity before undertaking any business with you. To do this we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning. The check may leave a 'footprint' on your credit file but it will not affect your credit rating.

BEST EXECUTION

Where we send investment applications on your behalf to third parties (e.g. to put an investment into force), we'll take all sufficient steps to ensure that we obtain the best possible result for you. This is referred to as 'best execution'.

We have a best execution policy. If you want to see a copy of it please ask us.

CONFLICTS OF INTEREST

Although we'll always try to act in your best interests there may be situations where we or one of our other clients has some form of interest in the business being transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your own interests, we'll write to you and ask for your consent to proceed before we carry out any business for you. We'll also let you know the steps we'll take to make sure you are treated fairly.

Pareto Financial Planning Ltd and Pensionhelp Ltd have a common ownership connection through its principal director. Pensionhelp Ltd provides a specialised service in connection with defined benefit pension transfers only. This shareholding does not alter our regulatory responsibility to provide you with impartial advice, and so should not influence our advice to you. Please ask your adviser if you want to discuss this in more detail.

We have a conflicts of interest policy. If you want to see a copy of it please ask us.

COMMUNICATING WITH YOU

Our normal ways of communicating with you are by telephone, post, e-mail, SMS text message or in person. Our communications will be in English.

We may ask you to confirm your instructions to us in writing as this helps to avoid any future misunderstandings.

RECORDING TELEPHONE CALLS

To ensure we carry out your instructions accurately, to help us to continually improve our service and in the interests of security, we will record and may monitor your telephone communications or conversations with us.

Copies of our telephone recordings will be available on re-request, for a period of 5 years after the recording was made.

SERVICES OFFERED AS PART OF A PACKAGE

Where we offer services or products as part of a package, we'll tell you whether it's possible to buy the different components separately and, if relevant disclose the costs and charges of each component.

We'll also tell you if the risks resulting from the package are likely to be different from the risks associated with the individual components and explain how (if relevant) the package modifies the investment risk.

THIS SECTION SETS OUT YOUR OBLIGATIONS IN AGREEING TO RECEIVE OUR SERVICES.

- » Our charges for ongoing services will start monthly or annually and are taken as a percentage (%) of funds under management direct from the provider.
- » Ongoing services can be cancelled at any time by informing us in writing (see section 3 – Cancellation and amendments) but please note that we do reserve the right to charge you for services we have provided before cancellation.
- » Where our charges are based on a % of your investments, the amount of our ongoing charges may increase as the size of your fund grows.
- » In some circumstances we may receive ongoing payments (commission) from product providers relating to existing investments you hold. Such payments may be taken into account when determining the charges for ongoing services. We'll discuss and agree this with you where relevant.
- » We will receive commissions for some protection products that are taken out. This will be detailed in your illustration and report. If you cease paying premiums for a protection plan, or cancel it after it has been set up, and the life office claws back the commission paid, we may invoice you this sum.
