This document sets out the terms under which we will provide our services to you, so it is important that you read it fully and in conjunction with our Core Service Charges set out in the Your Client Journey document. If there is something you don't understand please ask us to explain it.

If you have a question or concern about any aspect of our services, please contact us:

Telephone: 0161 819 1311

Email: enquiries@paretofp.co.uk

The details of protection available to you under the UK financial services regulation are included in section 5 entitled "What if something goes wrong".

1.1 INDUCEMENTS

Under the rules of our regulator, the Financial Conduct Authority (FCA), as a firm providing independent advice, we are unable to accept or retain inducements or benefits from other firms (e.g. product providers) as this would conflict with our independent status.

Occasionally we may attend training events funded and/or delivered by product providers, fund managers and investment platforms. These events are designed to enhance our knowledge and enhance the quality of service we provide to our clients. As such this does not affect our obligation to act in your best interests.

2. Our Obligations

2.1 OUR RECOMMENDATIONS

We provide independent financial advice. Our advice is not limited to specific retail investment products and is not limited to relevant products issued by a particular provider. Our recommendations will be based on a comprehensive and fair analysis of the whole of the relevant market.

Before providing advice we will carry out a suitability assessment and assess your needs, consider your financial objectives and assess your attitude to any risks that may be involved. If you do not want to discuss a particular area of financial planning advice given, we can exclude it if you instruct us to do so. This may of course have a bearing on the advice that might have been given.

We will confirm any recommendations we make in writing (our suitability report) along with details of any special risks that may be associated with the products or investment strategies we have recommended. Where we agree to provide you with a service that includes an ongoing review of the suitability of the investments we have recommended, we will carry out this review at least annually. To do this we will need to make contact with you to assess whether the information we hold about you remains accurate and up to date. We will issue you with a report setting out the results of our assessment and, if relevant, any updated recommendations.

Please be aware that investments can fall, as well as rise, and that you may not get back the full amount invested. The price of investments we may recommend may depend on fluctuations in the financial markets, or other economic factors, which are outside our control. Past performance is not necessarily a guide to future performance. We will provide you with relevant product literature setting out specific warnings relevant to the investments, investment strategies or other products we arrange.

We may, where appropriate, recommend holding some, or all, of your investments with a Discretionary Fund Manager (DFM), a professional investment manager appointed to monitor your portfolio and make investment decisions on your behalf. In such cases, we will explain the DFM's respective responsibilities in relation to your investments.

2.2 FINANCIAL CRIME

We are obliged to put in place controls to prevent our business from being used for money laundering and other forms of financial crime.

We will verify your identity before undertaking any business with you. To do this we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning. The check may leave a 'footprint' on your credit file, but it will not affect your credit rating.

2.3 BEST EXECUTION

Where we send investment applications on your behalf to third parties (e.g. to put an investment into force), we will take all sufficient steps to ensure that we obtain the best possible result for you. This is referred to as 'best execution'.

We have a Best Execution policy. Please ask if you would like to see a copy of it.

2.4 CONFLICTS OF INTEREST

Although we will always try to act in your best interests there may be situations where we or one or more of our other clients has some form of interest in the business being transacted. If this happens or we become aware that our interests or those of one or more of our other clients' conflict, we will write to you and ask for your consent to proceed before we carry out any business for you. We will also let you know the steps we will take to make sure you are treated fairly. Please ask your Financial Adviser if you want to discuss this in more detail. We have a Conflicts of Interest Policy. Please ask if you would like to see a copy of it.

In the course of providing services to you, we may also introduce you to companies, or recommend the products and services of companies, where there is a connection to Pareto through ownership (e.g. common shareholders) or directors in common. Such companies include Pensionhelp Limited (which provides a specialist service in connection with defined benefit pension transfers advice) and Luna Investment Management Limited (which provides specialist investment management). Where this is the case we will disclose this to you when providing you with advice. Please ask your Financial Adviser if you want to discuss this in more detail.

We have a Conflicts of Interest Policy. Please ask if you would like to see a copy of it.

2.5 COMMUNICATING WITH YOU

Our normal ways of communicating with you are by telephone, post, e-mail, SMS text message or in person. Our communications will be in English. We may ask you to confirm your instructions to us in writing as this helps to avoid any future misunderstandings.

2.6 RECORDING TELEPHONE CALLS

To ensure we carry out your instructions accurately, to help us to continually improve our service and in the interests of security and our regulatory obligations, we will record and may monitor your telephone communications or conversations with us.

Copies of our telephone recordings and/or any virtual meetings undertaken using video conferencing will be available on request, for a period of 6 years after the recording was made.

2.7 SERVICES OFFERED AS PART OF A PACKAGE

Where we offer services or products as part of a package, we will tell you whether it is possible to buy the different components separately and, if relevant disclose the costs and charges of each component.

We will also tell you if the risks resulting from the package are likely to be different from the risks associated with the individual components and explain how (if relevant) the package modifies the investment risk.

3. Your Obligations

THIS SECTION SETS OUT YOUR OBLIGATIONS IN AGREEING TO RECEIVE OUR SERVICES.

3.1 PROVIDING INFORMATION ABOUT YOUR CIRCUMSTANCES

Our advice will be based on the information that you provide, so it is important that we receive accurate and up to date information when we request details about your circumstances and objectives. This will allow us to provide you with suitable advice. If the information you provide is inaccurate, or if you limit the information provided this could affect the suitability of the advice we give.

3.2 FEES AND PAYMENT FOR OUR SERVICES

As professional advisers, we charge fees for our services. Once you have agreed with your adviser the work you would like us to undertake and discussed the costs involved, you will be required to sign a fee agreement before we carry out any work.

We will charge you an initial fee and, where applicable, fees for ongoing services. Our fees vary according to the complexity of your circumstances and objectives, the scope of the work required, the type and number of products we are implementing. In addition, we take into account the regulatory responsibility we take for advice we give you.

By signing our Service Level Agreement, you are confirming that you have received a copy of these Service Level Terms & Conditions and you are agreeing to our services and fees. Your selected payment method is also confirmed in our Service Level Agreement. We'll tell you if any payments are subject to VAT.

Ongoing services can be cancelled at any time by informing us in writing (see section 4 - Cancellation and Amendments) but please note that we do reserve the right to charge you for services we have provided before cancellation.

Our initial charges are payable once we have completed our agreed work.

If you are paying our initial charges by instalment (only applies when you have taken out a regular contribution contract) it is important that you make payments as agreed. Where you miss a payment or cancel the contract from where the payments are coming from, we will invoice you for the remaining charges.

Any products we have arranged for you will only be kept under review as part of an ongoing service for which you agreed to pay. Our ongoing services are optional, but if you agree to purchase an ongoing service, unless otherwise agreed, the ongoing service will be provided as a follow up to the initial service.

Our charges for ongoing services will start monthly or annually and are taken as a percentage (%) of funds under management direct from the provider. Where our charges are

based on a % of your investments, the amount of our ongoing charges may increase as the size of your fund grows.

For services including e.g. tax calculation, IHT planning and trust planning, we will calculate our charges based on our actual hourly rates. Examples of these are set out in the Your Client Journey document.

There may be other costs payable by you, e.g. taxes or product provider charges. Such charges will be normally disclosed in the relevant third-party documentation issued to you, for example in Key Features documents or personal illustrations.

In order to help you understand the overall costs of our retail recommendations, we will provide you with aggregated costs and charges information within our suitability report and on a regular basis thereafter.

We calculate our charges based either on a percentage of the investment amount to be advised on or as hourly rates and on fixed charges. The explanation and examples of our fees are available in Services and Fees section of the Your Client Journey document

In some circumstances we may receive ongoing payments (commission) from product providers relating to existing investments you hold. Such payments may be taken into account when determining the charges for ongoing services. We'll discuss and agree this with you where relevant.

We will receive commissions for some protection products that are taken out. This will be detailed in your illustration and report. If you cease paying premiums for a protection plan, or cancel it after it has been set up, and the life office claws back the commission paid, we may invoice you this sum.

3.3 CLIENT MONEY

We are not authorised to hold or control client money or safe custody assets as part of our business.

All cheques for premiums, investment monies of any kind and professional fees must only be made payable to the life assurance company, friendly society or investment management group or firm providing the product or service concerned.

Under no circumstances should a cheque for premiums or investment monies of any kind be payable to your adviser.

Invoices for services provided by Pareto Financial Planning will be issued by and are payable to Pareto Financial Planning Limited.

3.4 LEGAL AND ACCOUNTING ADVICE

We are not qualified to provide legal or accounting advice or to prepare any legal or accounting documents. This means that the onus is on you to refer any point of law or accountancy that may arise during the course of discussions with us, to a solicitor or accountant.

4. Cancellation and Amendments

4.1 ENDING THIS AGREEMENT

You or we may terminate this agreement at any time, without penalty.

This agreement may be terminated, in writing, by either party giving not less than 10 business days' notice to the other party, but without prejudice to the completion of transactions already initiated. Any transactions effected before termination and a due proportion of any charges for services shall be settled to that date.

Any transactions already initiated will be completed according to this agreement unless otherwise agreed in writing.

You will be liable to pay for any services we have provided before cancellation and any outstanding fees, if applicable.

4.2 AMENDMENTS

Occasionally it may be necessary to amend the terms set out in this agreement. If this is the case we will write to you with details of the changes giving at least 28 business days' notice.

4.3 PRODUCT CANCELLATION RIGHTS

Full details of any financial products we recommend to you will be provided in the relevant product information you will receive. This will include information about any product cancellation rights along with any other early termination rights and penalties.

4.4 USEFUL INFORMATION ABOUT OUR SERVICES

We are authorised and regulated by the Financial Conduct Authority (FCA), 12 The Endeavour Square, London, E20 1JN. www.fca.org.uk

Our FCA reference number is 618272.

4.5 DISTANCE MARKETING DIRECTIVE

5. Your Consumer Rights

We hope it won't, but if something does go wrong we have processes in place to support and protect you.

This section is important as it allows us to explain what we will need to do with your personal data and the various rights you have in relation to this.

6.1 WHAT DO YOU MEAN BY “YOUR PERSONAL DATA”

It may identify you directly, for example your name, address, date of birth, national insurance number. In the context of providing you with our services, this may include:

- a. Title, name, date of birth, gender, nationality, civil/marital status, contact details, addresses that are necessary to verify your identity.
- b. Employment and remuneration information, (including salary/bonus schemes/overtime/sick pay/other benefits), employment history.

Where applicable we also collect information about your dependants, spouse, beneficiaries or next of kin. Before providing this information to us you should have their agreement as per these terms and conditions.

6.2 THE BASIS UPON WHICH OUR FIRM WILL DEAL WITH YOUR PERSONAL DATA

When we speak with you about your circumstances, requirements or similar we do so on the basis that both parties are entering a contract for the supply of services. In order to perform that contract, and to arrange the products you require, we have the right to use your personal data for the purposes detailed within this Privacy Notice.

Alternatively, either in the course of initial discussions with you or when the contract between us has come to an end, we have the right to use your personal data provided it is in our legitimate business interest to do so and your rights are not affected. For example, we may need to respond to requests from the provider/s relating to the advice we have given to you, or to make contact with you to seek feedback on the service you received.

On occasion, we will use your personal data for contractual responsibilities we may owe our regulator, the Financial Conduct Authority, or for wider compliance with any legal or regulatory obligation to which we might be subject. In such circumstances, we would be processing your personal data in order to meet a legal, compliance or other regulatory obligation to which we are subject.

6.3 THE BASIS UPON WHICH WE WILL PROCESS CERTAIN PARTS OF YOUR PERSONAL DATA

In some circumstances we will ask you information about your ethnic origin, your health and medical history (special category data). We will record and use your special data in order to make enquiries in relation to products that may meet your needs and to provide you with advice/guidance regarding the suitability of any product that may be available to you.

If you have parental responsibility for children under the age of 13, it is also very likely that we will record this information on our system and potentially their special category data.

The arrangement of certain types of insurance may involve disclosure by you to us of information relating to historic or current criminal convictions or offences (together “Criminal Disclosures”). This is relevant to insurance related activities such as underwriting, claims and fraud management.

We will use special category data and any criminal disclosures in the same way as your personal data generally, as set out in this Privacy Notice.

Information on special category data and criminal disclosures must be capable of being exchanged freely between insurance intermediaries such as Pareto Financial Planning Limited and the insurance providers. This will enable you to secure the important insurance protection that you require.

You will provide information to us verbally and in writing, including email.

We may also obtain some information from third parties, for example, credit checks, information from your employer, and searches of information in the public domain such as the electoral register. Should we need to use software to collect personal data such as verification of your credit status, we will require your consent for us or our nominated processor to do so. With regards to electronic ID checks we would not specifically require your consent for this.

6.5 SHARING YOUR PERSONAL DATA

From time to time your personal data will be shared with:

- a. Product providers
- b. Third parties who we believe will be able to assist us with your enquiry or application, or who are able to support your needs as identified. In each case your personal data will only be shared for the purposes set out in our Privacy Notice to provide you with our professional services.

Please note that this sharing of your personal data does not entitle such third parties to send you marketing or promotional messages; it is shared to ensure we can adequately fulfil our responsibilities to you, and as otherwise set out in our Privacy Notice.

We do not envisage that the performance by us of our service will involve your personal data being transferred outside of the European Economic Area (EEA). Should this be the case however, we will ensure that it is protected to the same extent as in the UK and the EEA.

6.6 SECURITY AND RETENTION OF YOUR PERSONAL DATA

Your privacy is important to us and we will keep your personal data secure in accordance with our legal responsibilities. We will take reasonable steps to safeguard your personal data against it being accessed unlawfully or maliciously by a third party.

We also expect you to take reasonable steps to safeguard your own privacy when transferring information to us, such as not sending confidential information over unprotected email, ensuring email attachments are password protected or encrypted and only using secure methods of postage when original documentation is being sent to us.

Your personal data will be retained by us either electronically or in paper format for a minimum of six years, or in instances whereby we have a legal right to such information, we will retain records indefinitely.

7. Definitions and Explanation of Services

CORE SERVICES

7.1 ESTABLISH AND DEFINE THE CLIENT AND FINANCIAL ADVISER RELATIONSHIP

We will introduce Pareto, our history and the range of services we offer.

We will define our obligations and responsibilities to you as a regulated firm.

7.2 GATHER YOUR DATA AND IDENTIFY YOUR GOAL

To be able to understand your requirements and make appropriate recommendations we need to understand your current circumstances, objectives, priorities and future goals. Your financial adviser will sit down with you and relevant parties to conduct our 'fact-finding' process. This will consist of a range of pre-determined questions to ascertain your current financial position, complemented by wider discussion.

At this stage your financial adviser will complete a risk analysis with you, this means understanding the risk you are able and willing to take and your attitude to risk when it comes to your money and assets. This analysis will take the form of a range of questions, resulting in a risk level score that both you and your financial adviser will then agree.

7.3 ANALYSE YOUR DATA

Your adviser and support team will review and analyse the data gathered at your initial meeting. Our team will seek authority to review any existing plans on your behalf, this will enable us to gain an accurate understanding of your current financial position.

In line with your priorities, objectives and appetite for risk, in-depth research will be undertaken to identify appropriate plans and providers.

7.4 DEVELOP YOUR FINANCIAL PLAN

Once our team have analysed your data, a detailed suitability report will be created for you summarising your current financial position and objectives, before setting out our recommendations based on our analysis and research.

The report will outline the features, benefits and risks of the products and services being recommended.

7.5 IMPLEMENT RECOMMENDED SOLUTIONS

Your financial adviser will conduct a face to face meeting with you to discuss your financial plan report and only if you are happy with the recommendations made, will we begin to act on your behalf to deliver the agreed financial plan.

Our team will ensure all forms and administrative tasks required by providers are made on your behalf and keep you informed of the implementation progress.

7.6 MONITOR & REVIEW

Depending on a client circumstance it is not always required or appropriate for Pareto Financial Planning Limited to conduct ongoing reviews/monitoring of your investments or financial position. Where this is the case, your agreed financial plan and recommendations will be implemented by Pareto Financial Planning Limited, with the responsibility to review passed over to the client on implementation. This agreement will be stipulated within your Service Level Agreement. It does not mean you cannot contact us for further advice in the future should you need to.

If it is agreed that Pareto Financial Planning Limited will monitor your financial plan on your behalf, your financial adviser will review it on a regular basis, at a frequency agreed in your Service Level Agreement. This is to ensure your financial plan still remains suitable for you.

This will include performing the following on the frequency agreed in your Service Level Agreement:

- a. Option of a face to face meeting with your Financial Adviser to review any changes to your circumstances, objectives, priorities and future goals.
- b. Portfolio Valuation Report.
- c. Review of your Portfolio – identifying areas that can aid your financial circumstances, e.g. Individual Savings Accounts (ISA) and Pension Allowances.

7.7 FINANCIAL PLAN FUND SWITCHES – RE-ALIGNING YOUR PORTFOLIO

From time to time it may be appropriate for us to move funds within your portfolio in line with your financial plan, as a result of economic and market trends, a change of circumstance or a change in your attitude to risk. This aligns your portfolio to meet your requirements/suitability and is performed by encashing units held in one fund(s) and purchasing units held in another fund(s). We will always provide you with a recommendation report prior to implementing any fund switch to your portfolio.

ADDITIONAL SERVICES

(THESE MAY INCUR A CHARGE, REFER TO YOUR SERVICE LEVEL AGREEMENT BEFORE REQUESTING)

7.8 ADDITIONAL PORTFOLIO VALUATION REPORT

On occasion, you may want to request an additional portfolio valuation report outside of that agreed in your Service Level Agreement. You can request this by contacting your financial adviser or dedicated support team.

7.9 GENERAL SERVICING

Only when instructed by you, will we update our internal systems and contact the relevant providers on your behalf with regards to any change in personal circumstances, such as but not limited to the following; change of address, change of name, change of marital status, contact information (Doctors/Accountants/Solicitors), plan suspension*/surrender*/cancellation*/claims*

*We would advise you to seek advice in these areas before taking such action.

7.10 ADVISED WITHDRAWALS

Where you implement a withdrawal of funds from an existing investment, where we have researched and provided you with a recommendation via your Financial Adviser, taking into account any potential tax implications.

7.11 ADVISED PLAN INCREMENTS

Implementation of new monies into your portfolio, where you have received our advice on how best to make further plan contributions following our research and recommendation report.

7.12 ADVISED ISA PLANNING

Implementation of any new ISA advantages into your Financial Plan, either from new monies or existing monies, where we have reviewed any tax implications and researched on your behalf, providing a recommendation report.

7.13 PENSION REVIEW OUTSIDE YOUR FINANCIAL PLAN

If pension planning is excluded from your original financial plan but at a later date you would like us to review your pension arrangements, we will create a further financial plan on this basis. We will gather your data and identify your goals, analyse your data, develop a new financial plan, implement it and agree who will monitor your pensions.

7.14 PROTECTION REVIEW OUTSIDE YOUR FINANCIAL PLAN

If protection cover is excluded from your original financial plan but you would like us to review new or existing protection cover at a later date, and as a result you implement our recommendation, this is classed as a Protection Review outside your financial plan.

7.15 CASH FLOW MODELLING

We can provide you with a detailed report on your own cash flow model scenario. This includes an overview of your assets, investments, debts, income and expenditure which are projected forward, year by year, using assumed rates of growth, income, inflation, wage rises and interest rates. This will give you an indication of how your financial position could look in the short, medium and long term.

This offers a realistic view to see how achievable your goals are, or how much planning is required to get you there.

7.16 TAX CALCULATIONS

Your tax calculation provides essentially that: a breakdown of all taxable income streams, with your tax liability and the total amount of tax payable to HM Revenue & Customs (HMRC).

7.17 INHERITANCE TAX (IHT)

Estate or inheritance planning is the process of protecting the wealth of someone who has died and ensuring they retain control over how their assets are distributed.

7.18 TRUST PLANNING

A trust is a legal agreement that describes how property will be held for the benefit of another person. Trusts are often used when giving advice on estate planning. There are many types of trusts, each designed for a different purpose, offering ample choice to meet your needs.
